Capability Statement

"Excellence through craftsmanship, the KRC difference"

KRC Roofing & Construction is dedicated to excellence in roofing and construction, backed by 18 years of experience and top-tier manufacturer certifications. Our innovative approach and superior customer service make us the preferred choice for roofing and construction solutions.

DIFFERENTIATORS

- ▶ **Innovative Technology:** We incorporate satellite imagery and data from our FAA-licensed drone pilots into our Xactimate software, ensuring accurate inspections, comprehensive reports, and current build updates.
- ▶ **Certified Excellence:** Having achieved certification from top manufacturers Owens Corning and GAF, earned through their rigorous vetting process, enables us to provide extended warranties on their products.
- ▶ **Advanced Safety Standards:** Adherence to the highest safety standards in the industry, ensuring a safe working environment for our team and clients.
